Education

ITC – 4th Year

Inst. of Technology of Cambodia
2023 – Present

General English Program & Diploma: Creative & Critical Thinking

ACE
2023 – 2025

Bac II Diploma

Prek Pras Sab High School
2011 – 2023

Soft Skills

Soft Skills

- Teamwork & Leadership
- Critical Thinking
- Problem Solving
- Adaptability

Technical Skills

Technical Skills

- HVAC & MEP Installation
- MEP Draft Plan Drawing
- Circuit & Robotics
- MS Project

Languages

Khmer

Native

English

- Advanced
- IELTS Band: 6.0

REFERENCE

Dr. CHHLONH Chhith,

Lecturer, Department of Electrical and Energy Engineering,
Institute of Technology of Cambodia (ITC)
chhith@itc.edu.kh, 086486874

About Me

Dedicated engineering student in the ECAM LaSalle international program at the Institute of Technology of Cambodia (ITC) specializing in Robotics and Automation. Bringing practical background in MEP systems, circuit troubleshooting, microcontroller firmware, and smart automation concepts, backed by strong adaptability and a passion for solving complex technical challenges.

Projects

Line Follower Robot

Robotics Competition Project
2026

- Competed and achieved 1st Place, Line Follower Robot Competition 2026
- Built a small autonomous robot capable of following a line path using infrared sensors.
- Gained hands-on experience in electronics, embedded programming, and robotics assembly.

Experience

B&MEP Engineering Construction Co., Ltd

MEP Technician – HVAC & MEP Installation
2025 – Present

- Supported installation and maintenance of HVAC systems and MEP works on construction projects.
- Assisted in reading and interpreting MEP drawings and technical specifications.
- Produced draft plans for MEP layout and installation reference.
- Prepared Bills of Quantities (BOQ) and generated comprehensive project progress reports.
- Coordinated with project teams to ensure timely and accurate installation.

Red Cross & UYFN

Volunteer
2020 – 2024

- Participated in social work and community outreach activities.
- Facilitated events and public engagement programs.

Prek Pras Sab High School

Computer Teacher
2022 – 2023

- Instructed students on Microsoft Word, Excel, PowerPoint, Illustrator and Photoshop
- Simplified complex technical lessons to ensure learners could follow easily.

Prek Pras Sab High School

Vice Student Council

2022 – 2023

- Developed strong public speaking and organizational leadership skills.
- Coordinated the work of various student committees.
